

PATIENT TRANSPORT INFORMATION

Welcome to Chris O'Brien Lifehouse. When you are diagnosed with cancer, there will be several appointments that you need to attend at the hospital.

Travelling to and from Chris O'Brien Lifehouse may be difficult if you do not have your own transport or are too unwell to access public transport. Here is a list of community transport providers that may be able to help you.

- Visit the provider's website or give them a call to find out about their selection criteria and whether you meet them
- If possible, give two weeks advance notice to secure your booking, especially if it is the first time you are using the transport provider as it takes time to register you as a client.
- Generally, there is a small fee (\$5-10) and this differs from provider to provider. [Sir Roden and Lady Cutler](#) is a free service and you can ask for a reduced fee if ongoing transport is needed.
- Any questions, call us on 8514 0000.
